

F. No. 1-A/NMA/NOC-2014
Government of India
Ministry of Culture
National Monuments Authority

The approved minutes of 130th meeting held on 28th and 29th December, 2015 is hereby forwarded for perusal and comments, if any.

(Navneet Soni)
Member Secretary
08.01.2016

MINUTES OF THE 130th MEETING OF NMA

Venue - Conference Hall, NMA Hqrs, 24, Tilak Marg,
New Delhi 110001

Time & Date - 10.30 P.M on 28th and 29th December, 2015

The meeting was attended by the following:

1. Mohd. Saleem Beg, Chairperson(I/C) and Member NMA
2. Sh. Bharat Bhushan, Member NMA
3. Sh. Pukhraj Maroo, Member NMA
4. Ms. Shalini Mahajan, Member NMA
5. Sh. T.J Alone, Director, ASI
6. R.S Fonia, Joint Director, ASI
7. Sh. Navneet Soni, Member Secretary

Agenda Item No. 1

The minutes of the meetings of National Monuments Authority held on 27th November 2015 and 9th December 2015 were confirmed.

After deliberation it has been decided that in future agenda for the NMA meetings will be mailed in advance to the members. It has also been decided that the minutes of the meetings will also be mailed to each member and amendments if any should be incorporated before placing the same in the next meeting for confirmation.

Agenda Item No. 2

Approval of the Heritage Bye laws of Shiva Temple, Patambi, Jugal Kishore Temple, Vrindavan and BBD Bagh, Kolkata.

The NMA discussed several issues pertaining to the Bye laws of these three monuments in the presence of INTACH representative. It was observed that INTACH has not incorporated the few suggestions of NMA members which were already sent to him regarding the monument of Jugal Kishore Temple, Vrindavan and BBD Bagh, Kolkata. Some other suggestions/modifications were also proposed by members for the bye laws of Shiva Temple, Patambi. These bye laws were approved by Authority subject to incorporation of all the suggestions/recommendations proposed by members of NMA, which were already communicated to INTACH.

It was also decided that as the processing of remaining bye laws received from INTACH have got inordinately delayed, Member Secretary will ensure that INTACH makes presentations for these and that these are finalized expeditiously. In fact this is a decision which was taken in 129th meeting as well.

Agenda Item No. 3

Member Secretary explained the brief background of the issue relating to levy of penalty/fine upon those cases where construction in the regulated area has already been undertaken or completed without prior permission under AMASR Act, though the construction are within permissible limits and would have otherwise approved. Member Secretary placed a circular letter issued by the then Member Secretary NMA on 9th May 2013 to all Competent Authorities regarding levying of penalty/fine. It was noted that Director General ASI had been holding the Additional charge of Member Secretary NMA at that time.

However, another letter has been circulated under the signature of Director General ASI dated 06.08.2015 in which it has been mentioned that as per the legal opinion obtained by ASI there is no provision of imposing penalty/fine by either NMA or the CA without going through the legal process prescribed under section 31 of AMASR Act.

After due deliberation it has been decided that while the Authority is not authorised to impose penalty/fine there is no bar on imposing regularization charges in such cases where the construction/renovation undertaken without permission is otherwise within the permissible limit. It was also noted that the decision to impose penalty/fine taken by the Authority in the past had been taken with the consent of Director General ASI who is also the ex-officio member of the Authority.

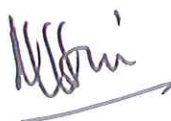

It was also noted that even in previous case the amount has not been collected as a fine because in that case the fine would have to be deposited with the Government. However, with a view to remove the ambiguity in the matter, the letter written by DG, ASI to the Member Secretary conveying the legal opinion shall be replied to and it would be clarified to him that the Authority is actually collecting regularization charges in those cases where the permission would otherwise be granted and where relevant documents are available to the Authority. The Authority invariably awaits the reply of the show cause notice issued by the ASI before recommending the NOCs. This clarification shall be endorsed to all the Competent Authorities as well. Competent Authorities will take appropriate action on cases pending with them due to instruction issued by DG ASI vide letter dated 06.08.2015. As discussed with the RDs present in the meeting, NMA will issue guidelines in respect of utilization of regularization charges (RC).

Agenda Item No. 4

The categorization of the monuments of Delhi, Kolkata, Chandigarh, Bhopal and Vadodara circles.

The categorization of the centrally protected monuments under the jurisdiction of Delhi, Kolkata, Chandigarh, Bhopal and Vadodara Circles have been discussed in detail and have been approved subject to incorporating the following notes at category VIII, while categorizing the monuments of each circle.

It should be clearly mentioned that the Heritage Zone/Archaeological Parks were proposed by NMA or Local Planning Body.

It should be mentioned in each Bye-laws that "Heritage Zones and Archaeological Parks have been proposed as a distinct category in areas where more than one centrally protected monument or one or multiple archaeological sites are located. The Local Bodies/concerned agencies may accordingly delineate these Zones and Parks in consultation with Heritage experts/agencies and/ or Archaeological Survey of India to determine their boundaries. It is also proposed that these categories may form part of the Master Plan or Developmental Plan. Further, guidelines and developmental controls may be separately notified for the Heritage Zones/Archaeological Parks with a view to protect their historic settings."

Agenda: 5

Leftover cases of 128th meeting

Case no. 1

(Smt. Sapna Kehar W/o Shri Rajesh Kehar, Smt. Shivani Kehar and others, Amritsar, Punjab)

After careful consideration of the application, it was noted that the proposed construction site is in prohibited area i.e. 85 mtrs from the boundary wall of the protected monument, so it was decided to reject the application as no construction is allowed in prohibited area apart from repair and renovation work and NOC shall be granted only to the condition if, applicant would apply afresh for construction only in the regulated area.

Case no. 2

(Smt. Chanchal Rani W/o Shri Naresh Kumar Luthra, Batala, Gurdaspur, Punjab)

After perusal of the application, it was decided to recommend grant of NOC in this case for new-construction of G+1 floor with the total height of 26'-0" including mumty, parapet, water-tank etc. with floor area GF- 1151.73 sft and FF- 627.36 sft.

(Shri Rajinder Kumar S/o Shri Mohan Lal, Bathinda, Punjab)

After perusal of the application, it was decided to recommend grant of NOC in this case for new-construction of first floor over existing ground floor with the total building height of 26'-0" including mumty, parapet, water-tank etc. with floor area F.F – 253.00 sft.

Case no. 4

(Shri Manmohan Singh S/o Shri Mohinder Singh, Bathinda, Punjab)

After perusal of the application, it was decided to recommend grant of NOC in this case for new-construction of G+1 floor with the total height of 26'-0" including mumty, parapet, water-tank etc. with floor area G.F – 360.00 sft and F.F – 180.00 sft.

Case no. 5

(Smt. Meena Rani W/o Shri Surinder Pal, Bathinda, Punjab)

After perusal of the application, it was decided to recommend grant of NOC in this case for new-construction of G+1 floor with the total height of 26'-0" including mumty, parapet, water-tank etc. with floor area G.F – 1170.00 sft and F.F – 585.00 sft.

Case no. 6

(Shri Kamaljit Kumar S/o Shri Bakhshish Lal, Bathinda, Punjab)

After careful consideration of the application, it was decided to defer the case on the following grounds:

1. Site inspection report of the site
2. To clarify whether the owner and the applicant is different or not
3. CA to clarify the issue on 100% ground coverage of the proposed plot and to send a revised building plan.

Case no. 7

(Shri Kamaljit Kumar S/o Shri Bakshish Lal, Bathinda, Punjab)

After careful consideration of the application, it was decided to defer the case on the following grounds:

1. Site inspection report of the site
2. To clarify whether the owner and the applicant is different or not
3. CA to clarify the issue on 100% ground coverage of the proposed plot and to send a revised building plan. Incorporating set back and other requirements.

Case no. 8

(Shri Subhash Chander Sekhri & Shri Narinder Kumar Sekhri S/o Late Shri Chaman Lal, Jalandhar, Punjab)

After perusal of the application, it was decided to recommend grant of NOC in this case for construction for G+1 floor with the total height of 37'-3" including mumty, parapet, water-tank etc. with floor area G.F – 2240.875 sft, F.F – 2012.875 sft, Mumty – 236.25 sft.

Case no. 9

(Shri Baldev Singh S/o Shri Tara Singh, Ludhiana, Punjab)

After perusal of the application, it was decided to ask SA ASI, Chandigarh Circle to clarify whether any show cause notice was issued to the applicant for unauthorized construction and also a status report on the proposed site of construction.

Case no. 10

(Shri Mandeep Kumar S/o Shri Surinder Kumar Sharma, Jalandhar, Punjab)

After careful consideration of the application, it was decided to defer the case on the following grounds:

1. To clarify the area left for setbacks for the proposed site of construction
2. CA to clarify the issue on 100% ground coverage of the proposed plot and to send a revised building plan.

Case no. 11

(Smt. Baano W/o Shri Aslam Khan, Jalandhar, Punjab)

After perusal of the application, it was decided to recommend grant of NOC in this case for commercial construction of basement+G+1 floor with the total height of 38'-6" including mumty, parapet, water-tank etc. with floor area G.F=F.F – 250.00 sft., mumty – 108.00 sft., basement – 250.00 sft.

Case no. 12

(Shri Rakesh Kumar S/o Shri Banarasi Dass, Jalandhar, Punjab)

After perusal of the application, it was decided to recommend grant of NOC in this case for commercial construction of G+2 floors with the total height of 38'-6" including mumty, parapet, water-tank etc. with floor area G.F=FF=SF – 306.00 sft.

Case no. 13

(Shri Vijay Kumar Ohri S/o Shri Om Prakash Ohri, Jalandhar, Punjab)

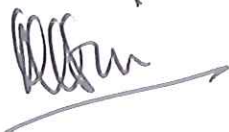

After perusal of the application, it was decided to recommend grant of NOC in this case for construction of first floor over existing ground floor with the total height of 27'-0" including mumty, parapet, water-tank etc. with floor area FF = 1411.00 sft.

Case no. 14

(Shri Bhagwan Singh Arora S/o Shri Sham Singh Arora, Amritsar, Punjab)

After careful consideration of the application, it was decided to defer the case on the following grounds:

1. The distance from the protected area has to be re-verified by SA, ASI, Chandigarh Circle
2. A joint inspection report of the proposed site in the presence of SA Chandigarh Circle, CA, Chandigarh, local authority and the applicant

Case no. 15

(Shri Neeraj Behal S/o Shri Kamal Behal, Amritsar, Punjab)

After careful consideration of the application, it was decided to ask CA to provide a clear architectural plan mentioning the purpose of NOC of the proposed construction as the building plan provided by the applicant do not match with the details provided by CA in Form II.

Case no. 16

(Shri Neeraj Behal S/o Shri Kamal Behal, Amritsar, Punjab)

(including mumty, parapet, water-tank etc) with floor area of Stilt=G.F=187.44 sqm. & FF=SF=TF=184.76 sqm. & Basement=127.34 sqm. with depth of 3.05 mtrs.

Cases for Review of Height

Case no. 1

(Shri Sachin Manikchand Shah, Maharashtra)

After perusal of the application and representation for review of height, it was decided to amend the previous NOC in this case for construction with the total height of the building to be restricted to 18 mtrs including mumty, parapet, water-tank etc. as approved in the earlier cases around the Solapur Fort.

Confidential note:- WTM chairperson(I/C) was of the view that CA has made a case for revising the height allowed so far by NMA as the building around the monument are GF+7 floors. He also stated that NMA needs to justify the restricted or specified height by taking into account parameters like size of the structure, distance from the monument, surrounding height, prevailing bye laws etc. so that the restrictions don't look arbitrary.

Case no. 2

(Shri Prakash Kundar, Maharashtra)

After perusal of the application and representation for review of height, it was decided to amend the previous NOC in this case for construction with the total height of the building to be restricted to 20 mtrs including mumty, parapet, water-tank etc. as approved in the earlier cases around the Shaniwar Wada.

Case no. 3

(Shri Vikas Hari Lagoo, Maharashtra)

After perusal of the application and representation for review of height, it was decided to amend the previous NOC in this case for construction with the total height of the building to be restricted to 20 mtrs including mumty, parapet, water-tank etc. as approved in the earlier cases around the Pataleshwar Caves.

Agenda Item No. 6

On the request of M/s. Rites limited they were permitted to meet the Authority and make a presentation on the alignment in respect of the protected monuments vis a vis the Metro Rail Transportation System proposed to be constructed for the cities of Kanpur, Varanasi, Agra and Meerut. After the presentation they were informed that no construction is allowed in the prohibited area of the protected monuments. The agency may finalize their plan keeping in view the provisions of AMASR Act and approach the CA of the respective area for any clarification in regard to the construction work proposed by them in the vicinity of the protected monuments.

Agenda Item No. 7; Additional Agenda Items

Item No.1

It has been brought to the notice of the Authority that permission was granted to Scindia School, Gwalior by NMA vide letter dated 18.12.2013 with the approval of the then Member Secretary NMA to undertake stone cladding work and erecting temporary canopies. CA in his letter dated 16.01.2014 stated that the School undertook new construction and not cladding as envisaged in the letter, which in his opinion was a violation of AMASR Act. The CA also mentioned that a show cause notice followed by demolition notice had been issued by SA Bhopal Circle on 14.11.2013. The matter had been placed before the 99th Meeting of NMA held on 3rd March 2014. However, the records reveal that NMA had not been informed about the fact that the work of construction was already in progress and that the CA Bhopal recommended cancellation of permission. The Authority was also not informed that the Member Secretary had already issued permission for construction of the façade. After deliberation the Authority is of the

view that if construction work has been undertaken by Scindia School in violation of provisions of AMASR Act the CA concerned should proceed against the violation as per law. Scindia School may be given an opportunity to explain its position and the matter may then be placed before NMA for a final decision.

The Authority recommended that the then Member Secretary communicated the permission for cladding without considering comments of CA and therefore his comments may be called for in this case and placed before the Authority in its next meeting.

Item No.2

The Member Secretary informed that in the audit conducted by the CAG for the accounting year 2012-13 & 2013-14 several issues have been raised in the audit paras. MS explained the comments of audit in brief and mentioned about the irregularity in printing work undertaken in September 2012 at a cost of Rs. 1.55 lakh, in February 2014 at a cost of Rs. 1.50 lakh and in May 2014 at a cost of Rs. 2.95 lakh through M/s. Aryan Books International. After going through the comments the Authority decided that obtain comments of the then Chairperson may be obtained on this issue.
