Floor area=1301.79 sqm

at Survey No.172, Hale kote, Hangal, Haveri.

Additional Agenda-II

The recommendation of the Parliamentary Standing Committee in the 294th Report on Development and Conservation of Museums and Archaeological Sites-Challenges and Opportunities-Department related Parliamentary Standing Committee Report on Transport, Tourism and Culture was placed before the Authority. In Para 5.8.26 the Committee recommends that necessary provisions may be put in place to ensure that the HIA required for approval of development projects should be conducted by a specialist NGO or academic institute, who is not associated with the developer itself.

The recommendation of the PSC was considered and it was decided that henceforth the Authority will ask all applicants who are required to furnish HIA report, through the CAs, to ensure that the agency/institute hired for the purpose of preparing HIA report is not associated with the applicant/developer. Such HIA report should be accompanied by a certificate that the agency/institute preparing the report is not directly associated with the applicant/developer either in the designing or execution of the project in any way.
